

ACL MANUFACTURING INC.

2012 – 2013 HOCKEY CHARTIY CHALLENGE

ACL Manufacturing Inc. kicked off a hockey charity challenge in October 2012 in the Town of Sundre, Alberta to raise funds for local charities. We chose a different charity each month from October 2012 to March 2013, with donations from the *shiny hockey players and local businesses*, which ACL Manufacturing then matched the money raised dollar for dollar.

Through the combined efforts of everyone involved we were able to donate a total of \$ 21,892.00 back into our community helping 6 different local charities.

ACL Manufacturing Inc. is very proud to have organized such a wonderful event that showed amazing support an dcommunity involvement.
